

REMARKS

The Examiner's Amendment did not show the sub-steps in lines 11-20 of claim 1 as fully-indented. Thus, this paper shows claim 1 with the proper formatting. There is no change to the substance of the claim (other than the formatting of the paragraphs of the sub-steps). The paragraph that states on line 21 of claim 1 is not one of the sub-steps.

There is no change to the substance of the claim. The Office is requested to print claim 1 in the form shown herein.

The Issue Fee will be paid separately.

Respectfully submitted,

/David H. Judson/
